Mike Olheiser suffered a moderate stroke on December 8<sup>th</sup>, 2011 and was hospitalized. During his stay in the hospital, Mike suffered a second stroke. He spent his time there in the Intensive Care Unit, in and out of a coma, and has been on and off life support. Mike's medical care is ongoing and is building extraordinary, unforeseen medical expenses.

Mike worked for the City of West Fargo for 18 years. He is a loving husband, father and grandfather. He enjoys fishing, playing bingo, and spending time with his grandsons. Mike is the primary caregiver for his five year old grandson.

With your help, we can ease the financial burden for the family and help Mike to a speedy recovery!
